

Did you think that all buildings look the same? Take a look at the buildings below. They will surely surprise you!

1.

Wonderworks, the USA

It is a museum that looks like an upside down building. It requires accurate physics and mathematical calculations for architects to build it.

2.

The Crooked House, Poland

The building has twisted windows and doors. Its funny and creative design attracts many tourists to take photos in front of it.

A Correct the underlined words.

1. The Esplanade Theatre smells like a very big durian.
2. Artists did accurate calculations when they built Wonderworks.
3. The Crooked House has a very fancy and creative appearance.
4. The Cubic Houses are actually study rooms so people can stay overnight inside.

3.

The Esplanade Theatre, Singapore

It is a world-class theatre. People enjoy concerts and other art performances in it. Some people think that the building looks like a huge durian. Some think it looks like an eye of a fly.

4.

The Cubic Houses, the Netherlands

They are a chain of houses tilted at 54.7 degrees. Each house provides 100 square metres of space as a hotel room for visitors to stay in.
