Good Friends

Amy Chow

Good friends always listen to your worries,
anywhere and anytime.

- 5 Good friends help one another
in good and bad times.

Good friends are generous,
sharing with you their favourites.

- 10 Good friends are sincere,
being true and honest.

Good friends are loyal,
being forever supportive.

Good friends are forgiving,
saying 'It's ? to make mistakes!'

- 15 Good friends see the good sides of one another,
but also understand one another's weaknesses.

Their beautiful friendship has no hatred,
but only love, trust and faith.
