ABOUT US

Our Mission

We hope to connect people in the world. Our target is to make the best use of people and resources to help those in need. 5

Our Work

We are a non-profit organisation. We bring people together in these ways: 10

(1) We give donations to different community groups, orphanages and elderly homes.

(2) We offer attractive salaries to people of lower education levels and new immigrants. They help make handicrafts and cookies for charity sales. 15

(3) We cooperate with different organisations, hold workshops at schools and match people to other charities. We hope different parties in society can work together for a better world.

(4) We organise events to raise money for the needy. They include flag and raffle ticket selling, charity sales and the charity fun day. 20
