Brain Box Learning Centre Seasonal Report (Jan – Mar 20XX)

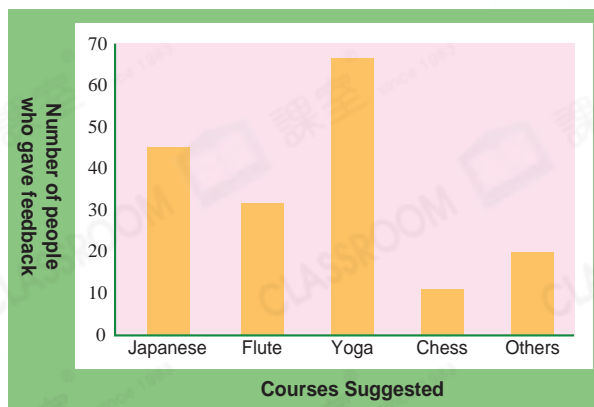

We conducted a survey in November asking our students and parents about their comments on our current courses, and what courses they would like to join in the future. A total of 254 questionnaires were received. We will review our courses and develop new courses based on the feedback below.

(1) Comments on our current courses

- 95% of the students and parents think that the quality of our courses is satisfactory.
- Among all the courses, the English course receives the highest scores.
- 30% of the parents suggest providing more sessions for each course.
- Parents hope that we can provide Thai boxing classes not only in Mong Kok Centre, but also in Tsim Sha Tsui Centre and Yuen Long Centre.

(2) Suggested new courses in the future

(3) Other suggestions

- Special T-shirts can be made for students to build a stronger team spirit.
- Festival parties or seasonal gatherings are suggested.
- Some members suggested having classes outside the learning centre, such as drawing classes in a park or English classes in a fast food restaurant.
