

# Notice

Sarah is reading a school notice about seasonal flu.

**Margaret Lee International School**

## **SCHOOL NOTICE** (No. 20)

29<sup>th</sup> January 20XX

Dear students,

In the past few months, many students have been sick. We appeal to all of you to maintain good personal hygiene in the unusually cold weather. Here are some precautions you may follow:

- (1) Check your body temperature before leaving home.
- (2) Call the school to request a sick leave if your body temperature is above 37.5°C.
- (3) Wear a mask if you have any flu symptoms, such as coughing or sneezing.
- (4) Stay at home until you recover from the disease.
- (5) Wash your hands frequently, especially before eating and after using the toilet.
- (6) Do moderate exercise and have a balanced diet every day to keep your body strong and healthy.
- (7) Stay warm by wearing gloves and scarves. You may wear black or navy blue scarves at school.

We have hired extra janitors to keep our school environment clean. Let's work hard together in this flu season.
