## TRAVEL WITH KENNY DAVIS

**Place: Hong Kong**

**Date: 20<sup>th</sup> – 27<sup>th</sup> May**

On the first day of my trip, I caught a flu on the plane from Vietnam to Hong Kong. I needed to rest in the hotel for the whole afternoon. What a pity! Maybe I should wear a mask on the plane next time!

Luckily, I felt much better the next day. My friends took me to the New Territories and we hiked in Yuen Long. It was tiring but enjoyable! The natural scenery of Hong Kong was spectacular! I took a lot of photos along the way.

The next few days, we went sightseeing on Hong Kong Island and Lantau

Island. Taking the tram to The Peak was a very nice experience. The skyline of Hong Kong was like the picture on a postcard when I went up there! It was also exciting to walk up to the Big Buddha. However, I think Hong Kong Disneyland was a bit disappointing because it's quite small.

I was busy with shopping and eating in this small

and bustling city. It is a place that never sleeps.

People there are friendly and the transport system is excellent. I will be back again to explore more places in Kowloon!
