

The Ticket Album

People keep a ticket album to remind themselves of the wonderful events or places they have been to. Take a look at the ticket album below and learn more about these nice places!

Universal Studios Singapore is all about movies. There are seven zones with different themes, such as 'Hollywood' and 'Ancient Egypt', where you can set out on an entertaining journey about movies. In each zone, you can go on exciting rides or simply walk through the movie characters and props.

In S.E.A. Aquarium, you can see more than 100,000 marine lives of over 800 species. It was the largest aquarium in the world in 2013. Apart from seeing the fish through the glass, you can also try scuba diving to observe them in the water. It would be a unique experience for many visitors!

A Write 'T' (true) or 'F' (false) for each sentence.

1 Universal Studios Singapore is about illusions.

2 There are more than 800 kinds of sea animals in S.E.A. Aquarium.

3 You can see 3-D images from 2-D paintings in Trick Eye Museum Singapore.

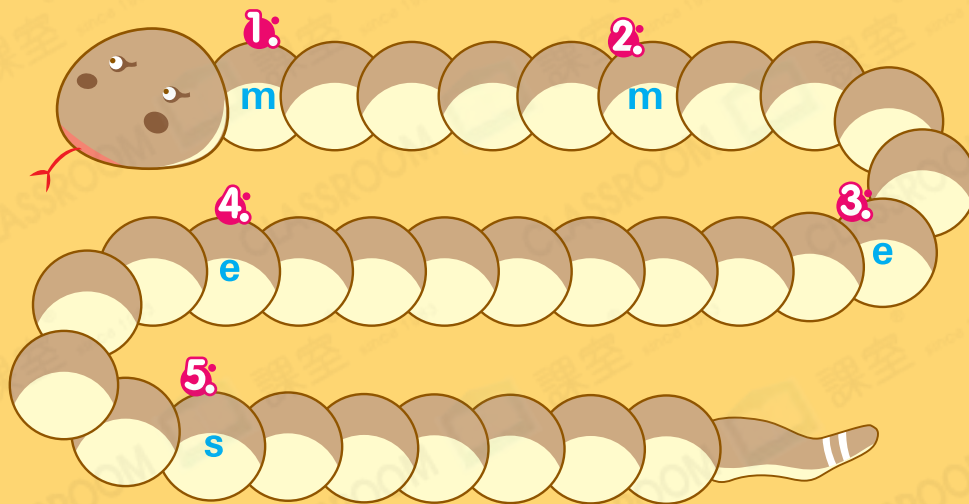

4 In S.E.A. Aquarium, you can see sea animals behind the glass.

5 You can take rides only in a few zones in Universal Studios Singapore.

'Trick Eye' stands for 'trick of the eye'. It is a technique of turning 2-D paintings into 3-D images through illusions. The six themed zones in Trick Eye Museum Singapore stimulate visitors' senses with both funny paintings and other imaginary decorations. You can take photos in the museum and capture the unusual moments with your friends!
