

Getting Ready For School Interviews

Are you worried about having school interviews? Here are some useful tips to impress your interviewers.

Tip 1

?

Your interviewers may ask you some questions about their school. You should take a look at the school's background and think of the reasons why you want to enter it. You may prepare a few questions to ask in order to show your interest. You may also talk about why you are suitable to study there.

Tip 2

?

Be friendly and polite to your interviewers. You need to show that you respect them. Also, don't praise yourself too much. Wear a sincere smile on your face and show them that you care about the interview.
