

Comic Strip

Natalie is reading a comic strip about endangered animals.

1

The number of wild animals decreased greatly on a grassland. Life was so difficult for the animals there.

We always wish to live peacefully in our homes but people keep hunting us! We have no choice! We are endangered. If we don't act now, we'll soon become extinct!

2

The animals had a meeting that night...

Tomorrow will be our big day! It's time for us to take action!

Right! Humans have destroyed our homes. They keep killing us for our body parts. We have had enough!

3

The next day, some tourists visited the grassland in a jeep. The animals attacked them.

You have caught my parents to extract their bile! I'll make you pay for it!

The animals look fierce. Help!

4

Hey! Stop! They are innocent people. Those who hurt our friends have guns. If we kill them now, we will become the killers we hate most. Do you want to be one of them?
