Grade:

Common Mistakes (Connectives)

We use 'because' to talk about reasons.

e.g. Annie loves dogs **because** they are cute and smart.

reason

We use 'so' to talk about results.

e.g. Dogs are cute and smart **so** Annie loves them.

result

Never use 'because' and 'so' in the same sentence in English. We only need one connective to link a reason and a result.

A Circle the correct answers.

- I never study hard for the exam **because / so** I always fail.
- Amy eats kiwis **because / so** they are rich in vitamin C.
- Miss Chan punishes Tom **because / so** he is naughty.
- Jason forgets to water the plants **because / so** they die.
- Ian goes to bed early **because / so** he is tired.
