Common Mistakes

(Connectives)

We use **connectives** to link ideas and to show reasons and results.

- e.g. Sammy has a brother **and** a sister. (*link positive ideas*)
- e.g. I don't like spicy **or** bitter food. (*link negative ideas*)
- e.g. I want to go on the ride **but** I'm too short. (*link contrasting ideas*)
- e.g. Mum likes sweet food **so** she loves eating desserts. (*show results*)
- e.g. **Although** travelling by taxi is expensive, it's fast. (*link contrasting ideas*)
- e.g. I like going to the museum **because** I can learn a lot there. (*show reasons*)

A Circle the correct answers.

1. The children enjoy playing in the water **but / so** their mum often takes them to the beach.
2. **Although / Because** eating fast food is convenient, it's unhealthy.
3. I want to buy the DVD **but / and** I don't have enough money.
4. You can come to my home on Saturday **and / or** Sunday. I think we can finish the project in a day.
