

Unit 3 Comic Strip

Starry and Milky are in Yum Village. They almost eat up the soup river there. Complete the flowchart and think of another ending for the comic strip.

How the story goes:

Starry and Milky almost eat up the vegetable soup river.

Solution: What happens next?

Think about the characters.

What do the aliens eat too much?

They eat too much
1. _____.

They want to leave
2. _____,
but they don't feel well.

What happens to
the aliens?

Who helps the aliens?

The 3. _____ give
them some medicine.

Now fill in the blanks with the correct words. Then put the correct letters in the speech bubbles. For the last picture, draw your own comics.

Write a word to talk about the same feeling.

A. Beep!

B. Catch them! _____!

C. _____! My stomach hurts!

D. _____ alright?

E. My stomach hurts _____.

F. We eat too much soup. We have a stomachache!

Write an exclamation here.

Starry and Milky are full. They want to leave the village, but they have a stomachache.

1. _____

2. _____

5

The villagers drive to look for the aliens. They find them near the vegetable soup river.

3. _____

4. _____

6

The villagers think the aliens are poor. They give them some medicine.

5. _____

6. _____

7

The aliens take the medicine and feel better. Soon, they fix their spaceship and leave. Add speech bubbles.
