Suggested reading time: 10 mins

Eddie is reading a story about hiking.

### A Hiking Day

It was warm and sunny last Saturday so **Jack and Sandy decided to go hiking**. Not long after they started to hike, Sandy's stomach growled.  
5 'Jack, do you have any food?' asked Sandy.

'No, I don't. I forgot to put the **two small blue snack boxes** in my bag... Wait! I think we're going the wrong way!' said Jack.

10 'What? Don't tell me we are lost! I want to **go shopping** with Mum and Dad in the evening!' shouted Sandy. 'Don't worry Sandy. We can use the **GPS** to find the way out,' said Jack.

15 'What is **GPS**?' asked Sandy. Jack turned on his **new silver mobile phone** and showed the system to her. 'It is a technology that can show our location. All smartphones have the **GPS** now so we can find where we are on the map,' said Jack.

20 'That's amazing! Can you do it now? It's getting late!' said Sandy. 'OK... Just give me a moment,' replied Jack. Suddenly, the screen of the phone turned black. Sandy screamed, 'Oh no! Your phone is out of battery!'
