Date:

Now write your own presentation script with the help of the table. Write at least 100 words.

Good afternoon, everyone. Have you ever thought that \_\_\_\_\_

Paragraph 1:  
Greet the audience, ask a question and explain the topic.

Paragraphs 2-3:  
Talk about one invention in each paragraph. Begin each paragraph with a topic sentence.

Paragraph 4:  
State the topic again and thank the audience for listening.
