## ACT 1

## Scene 1: In the covered playground

*Maria is sitting on a bench.*

Janet : (*walks towards Maria and sits next to her*) Why are you sitting here alone and having such a long face? What happened?

Maria: (*sighs deeply*) I just argued with Tina. I wanted to borrow her spare skipping rope but she didn't lend it to me. I was so angry that I shouted at her.

Janet : Oh, Tina was a bit selfish but you shouldn't have shouted at her.

Maria: (*lowers her head*) I know... but I just couldn't help it. (*to Janet*) It isn't the first time she has been like this.

Janet : Let's think of something good. She never laughs at others, right?

Maria: Hmm...

Janet : Next time when she refuses to share things with you, talk to her gently.

Maria: You're right. I should do that next time.

Janet : (*pats Maria on the shoulder*) Don't be sad anymore. Things like this happen from time to time.

Maria: I feel better now. Thanks, Janet. You always listen to me.

Janet : Not at all. The recess is nearly over. Let's go back to our classroom!

#### Good neighbours

I believe good neighbours should always be helpful and friendly. Good neighbours try their best to protect public properties and make the neighbourhood a better place to live in. They are considerate and often do a lot for others. They turn down the volume of the TV and avoid making noise early in the morning and late at night. They are always there to give a helping hand to those living nearby.

Good neighbours should also leave some personal space for one another. As the saying goes, 'Good fences make good neighbours', we should respect our neighbours' privacy so they will also do the same.

Be a caring and respectful neighbour. Don't forget to be polite too. Greet and smile when you see your neighbours!

1. State two good qualities that a good neighbour should have.
2. How can we give a helping hand to our neighbours? Give an example from your own experience.
3. Why should we respect our neighbours' privacy?
4. What should you do when you meet your neighbours?

**C** Talk about your neighbourhood with your classmate.

5. What activities do you want to do with your neighbours?
