Some questions ask you to find out how a person feels or thinks about something. There are two steps to answering such questions:

1. **Circle the keywords in the question and options. Find the related parts in the text.**
2. **Try to imagine you are the character in the text. Think about how you may feel or what you may think about somebody or something.**

Give it a try!

e.g.1 In the poem, how do the teachers feel?

- ○ A. happy
- ● B. angry
- ○ C. tired
- ○ D. sad

First, circle the keywords **'how', 'the teachers' and 'feel'** in the question. You can know that the question is asking about the teachers' feelings. Then, you can find the word **'teachers' in stanza 4**. Next, **imagine you are one of the teachers**. You **shout** at the girls and ask the girls to **stop**. It shows that you feel angry. So, option B is the correct answer.

e.g.2 The teachers think the little girls are _____.

- ○ A. cute
- ○ B. good
- ○ C. lazy
- ● D. naughty

The keywords in the question are **'the teachers', 'think' and 'the little girls'**. Read the last line in stanza 4. The teachers ask the girls to **'Be good girls'**. You can know that **the teachers think the little girls are naughty**. So, option D is the correct answer.
