

Thomas is reading a descriptive writing about meerkats.

Meerkats

They are meerkats.
They live in South Africa.
But you can see some of them in Hong Kong, too.

We like to stay together!

They look tall and thin.
They have brown and grey fur.
Like ____?____, they have dark circles around their eyes.

Look! I can stand up just like you do!

They like to stay in groups.
They do not go out at night.
They love to eat insects.

Choose the best answers by blackening the circles.

1. Which is **FALSE** about meerkats?

- A. You can see them in South Africa only.
- B. They are thin.
- C. You may not see them at night.
- D. They eat beetles.

2. Which of the following can replace '____?____' in the descriptive writing?
