# Today's Technology

Do the test below to know how we can use technology in everyday life.

Do you like playing outdoors?

**Start**

No, I don't. I like playing indoors. I like...

Yes, I do. I like...

### A Playing ball games

We must be honest and fair when playing ball games with our friends. For example, in an official football match, the Video Assistant Referee (VAR) can record and replay videos to see if the football players follow the rules or not.

### B Going hiking

Don't go hiking alone. It is dangerous. If you get lost during a hike, you can use the Global Positioning System (GPS) on your mobile phone to know where you are on the map and find your way back.

**A** Write the correct letters in the circles.

1.

2.

3.

4.

- A. Global Positioning System (GPS)
- C. Video Assistant Referee (VAR)

- B. Computer chess
- D. Electronic book

**C Playing chess**

You mustn't get angry when you lose a game. Do you know that computers can play chess very well? They are very smart. Even top human players lose when they play against the computer.

**D Reading**

Want to keep your books in good condition? You don't have to worry much if you are using electronic books (e-books). They are books that people read on their mobile phones or tablets. Many people use e-books now because they are convenient.

**STEAM Highlights**

Other than mobile phones, what can people use to read e-books? (Find the answer from the text and check it on P.72.)

**B Read the hints and circle the correct words from the text in the word search.**
