Subject : Having fun at a camp

Dear Aunt Bella,

I am at a summer camp with my schoolmates. In the morning, we go hiking. We learn the names of different plants and insects. At noon, we collect firewood. Then the boys light the fire and the girls cook. Everyone works together. In the afternoon, we go fishing. Many people want to have fish for dinner, so we catch as many as we can. In the evening, we sing and dance around a campfire.

Today is busy. I go to bed early but the mosquitoes at night are annoying. I hope I can sleep well.

How's your holiday? Please write soon.

Love,

Peter
