Niki is reading the school newsletter.

September Issue

Get to Know Our School

Let me tell you more about our school.

On the ground floor, there is a **big rectangle**. Do you know what it is? Students like it because it is cool to jump into the water in summer. Come and join us at the swimming gala. If you swim fast, you can be the winner!

The school hall is on the first floor. You may find a tall man

standing in front of it every morning. He is Mr Au, the school principal. When you see him, smile and say hello to him.

On the second floor, there are four nice classrooms, where you can play and learn. Don't be afraid to further explore the school, and tell others about your favourite places!

**Choose the best answers by blackening the circles.**
