

### Sam and Olivia are chatting during recess.

Olivia : Hi, Sam! I went travelling last weekend!

Sam : Cool! Where did you go?

Olivia : I visited the Eiffel Tower in France and the Leaning Tower of Pisa in Italy.

5 Sam : Aren't they the same?

Olivia : No! The Eiffel Tower is very tall. It attracts tourists to visit it at night because they can enjoy the amazing light show. For the Leaning Tower of Pisa, it is shorter and it leans to one side. I took many photos of it. **They** were wonderful! By the way, I went to Egypt to see the pyramids too.

10

Sam : Olivia, do you own a private plane?

Olivia : Of course not! Why?

Sam : How could you visit all those places at a weekend?

15 Olivia : Well, didn't I tell you that I visited all of them in the Window of the World in Shenzhen?

### Choose the best answers by blackening the circles.

1. Which is **TRUE** about the Eiffel Tower? (Choose more than one answer.)

- A. It is taller than the Leaning Tower of Pisa.
