I got on the MTR to go to the tutorial centre this morning. On the train, I kept playing mobile games so I didn't notice which station it was. When I finally looked up from the screen, I found that I needed to get off! I ran to the train doors quickly.

I arrived at the centre just in time but later I found that I left my backpack behind. I was very worried and scared so I cried in the classroom. Suddenly, a lady entered the classroom with my backpack! She found it on the train and saw the name and address of the tutorial centre on my notes.

I was thankful for what the lady did. I was really lucky to get my backpack back!

You returned my backpack to me. You are so kind! You taught me to take care of my own things and pay attention to what is going on around me. Thank you very much!
