## Fun Facts about Chocolate

Did you know that chocolate is made from cocoa beans? Chocolate is sweet but the cocoa beans are in fact bitter! Isn't it surprising?

Today, people use cocoa beans to make chocolate bars and candies. Other than milk chocolate, you may also find white and dark chocolate that comes in some special flavours, like coconut and mint, in supermarkets. Many people like eating chocolate because it is sweet and delicious. It makes people happy, too.

Some people give boxes of chocolates as presents to their relatives at festivals. Others bring chocolate to their friends as souvenirs. You may see in some shops that some chocolate is in gift boxes because these beautiful gift sets can help attract customers.
