Sunny

Today, I went camping in Ham Tin Wan with my friends. I was so excited as it was my first camping trip.

The first thing we did was to pitch our tent. Drawing a tent was easy, but putting one up was not. We spent an hour on it. After that, we played on the beach.

The weather was glorious in the afternoon. Everyone jumped into the water except for me because I forgot to bring my swimming trunks. I could only play in the sand alone. Suddenly, a wave swept away half of my sandcastle. I felt terrible as my effort was wasted.

Luckily, the sunset put me back into a good mood. The view was spectacular! Then, we built a campfire to light up the darkness. We sat around it and had dinner together. When the fire completely went out, we knew it was time to take a rest.

We will hike to the top of the hill tomorrow. I have to go to bed now to make sure I will have enough energy. Bye for now!
