## My School Life in Primary 4

My school life in Primary 4 at Liberty School was wonderful. I met the best Maths teacher, Miss Wong. She was very **thoughtful**. She found that I was weak in fractions, so she stayed after school to teach me and help me with my homework. I got high marks in my Maths final exam. I feel really grateful for what she did!

I moved to a different class and made lots of new friends this year. I joined the school's drama competition with my best friends Anna, Hans and Robert, and we won it. It's truly unforgettable! I will never forget how much effort we put into the practice and how much fun we had. I found that I enjoy doing drama so much. I used to be shy, but now I can perform in front of a lot of people on stage, thanks to this invaluable experience.

I am going to join the drama club next year. I am so excited about it!
