I'm a big fan of Stephen Chow. As a comedy actor, he always gives amusing performances. Among all his films, my favourite one is *Shaolin Soccer* because it combines kung fu with football which I have never imagined before!

I also like Stephen Chow's films. But my favourite film will always be *Crouching Tiger, Hidden Dragon*. The non-stop action is very exciting! I have watched it over twenty times!

Well, the action in it is too much for me... Crime thrillers are the best Hong Kong films. I think a lot of people like *Infernal Affairs* as much as I do. As an undercover policeman in the film, Tony Leung is so cool!

Sorry, I have to say that I hate **those kinds of films**. They are too dark and violent. I prefer light-hearted films!
