How I Became A Doctor

posted on 5 August 20XX, 23:12

When I was in primary school, I realised that I wanted ① _____ a doctor. I enjoyed ② _____ books about science and I loved ③ _____ people. I was good at ④ _____ experiments and ⑤ _____ the different parts of the human body. It was because I knew that to become a doctor, I need ⑥ _____ the human body very well.

After entering university, I spent six hours studying every day after class. Some of my classmates thought that the life in the medical school was ⑦ _____ hard so they gave up. But of course, I didn't. My mum sometimes said the workload was ⑧ _____ heavy, but I disagreed. I knew that I needed ⑨ _____ ⑩ _____ about treating patients before becoming a doctor.

My first patient was a cheerful old lady ⑪ _____ grey hair. She was the lady ⑫ _____ an orange dress in this photo. After she recovered, she gave me a warm hug that I would never forget. 🕒 ⑬ _____ in the world makes me feel better than helping people. To me, this is the most meaningful thing to do in life. I hope ⑭ _____ can find a meaningful job that they love too.

Hint: Q13

The writer thinks helping people is the best thing in the world. So, what can be better?
