Subject : A day in the shopping mall

Dear Ethen,

How are you? My parents and I spend a day in the Galaxy Shopping Mall today. It is **crowded** because there are lots of discounts!

In the morning, we watch a film in the cinema. **It** is full of people because there is **a 50% discount** on the film tickets for all films before 11 am. We watch *The **Miracles***. It is about a magical tree that has silver leaves. **They** can make people's dreams come true. A girl finds the tree in a forest and uses its leaves to help people. It is touching and **meaningful!**

After that, we have lunch in a Japanese restaurant. We order lots of food, such as sushi, ramen and tempura. The food is tasty but a bit salty, so we order some drinks. Luckily, the restaurant offers a buy-2-get-2 discount on drinks so we can save some money.

Later, Dad buys a pair of trousers in a clothes shop. But he finds that there is a hole in **them** after we get back home. Poor Dad!

At last, we go to the supermarket to buy things for tomorrow's party. Mum buys four cartons of milk, eggs and some flour for making a birthday cake. We want to buy a loaf of bread too but there isn't any. Maybe we can buy **one** tomorrow.

I can't wait to have the party! See you tomorrow!

Love,

Emily

There are different ways to tell the discounts. We usually say **50% off** or **a 50% discount**.
