

Unit 22 Play script

Identifying the sequence of events

Jessie is writing a play script. Read the play script.

Scene 1: In the garden near the school playground

Jessie : *(excitedly)* Ella, look over there! We first met each other next to the pond when we were in Primary 4, do you remember?

Ella : Sure! I also remember that something unpleasant happened...

Jessie : *(embarrassedly)* Well, I was talking to my friend Amy. I didn't notice you were there when I bumped into you. Please forgive me for my **clumsiness**! At that time, I thought you were unfriendly because you ignored me when I apologised.

Ella : Sorry for **ignoring** you. That's because my workbook fell into the pond. I was worried about getting it back. Luckily, you explained what happened to Miss Lam.

Jessie : I was glad that she didn't punish you...and thank you for not being mad at me!

Ella : I knew it was just an accident. In fact, we later found that we have a lot in common after we talked. That's how we have become best friends!

Scene 2: In 6B classroom

Ella : Oh, I miss everything we've done here. I think our most unforgettable moment was the Christmas party last year!

Jessie : Yes! Everyone contributed. Some decorated the classroom, some prepared the food and some organised games and a lucky draw!

Ella : I remember we were so tense before having our midterm exams at that time. The party was absolutely a stress **reliever**! I got a stationery set from Miss Li at the lucky draw. I was thrilled!

Dan : *(enters the classroom)* There you are. I have been looking for you two. I want to take photos with you. Could you please write something in my album, too?

Jessie : Sure! We'd love to!

Scene 3: In the school hall

Ella : Last year, our class performed a song on stage at the graduation ceremony. I can't believe we will soon be the graduates.

Jessie : I remember we rehearsed almost every day after school because we didn't want to mess up the graduates' big day.

Ella : Even the classmates who weren't good at singing tried very hard to sing since we all wanted to bless the graduates for a better future.

Jessie : Aah, I wish we were not leaving!

Ella : I wish so, too. But I'm sure we'll meet again after graduation!
