*Your school is planning the 'Environmental Protection Week'. You and two other classmates are designing a board about saving energy at home. Discuss what you will put on the board.*

In your discussion, you may include:

- turn off unnecessary lights and electrical appliances
- use fans instead of air conditioners
- hang clothes to dry
- avoid washing only a few items in the washing machine
- use energy-efficient products
- any other important details

*You may begin by saying:*

We have to tell our schoolmates how to save energy at home. What can we put on the board?
