Pre-DSE

You are Emily. Your friend, Lucy, recently moved to Canada and found it hard to adapt to the new environment. Lucy is asking you for some advice. Write an e-mail to her showing your care for her and telling her what she can do to adapt to the new environment.

You may use some of the ideas from the e-mail below and / or your own ideas in your writing.

Hi Emily,

Hello from Canada! I've been here for almost a month now. I miss you and all the great advice you gave me, so I hope it's OK if I ask you for more advice.

Though it's exciting to be in a new place, I do feel lonely. I miss Hong Kong and you guys. I guess I'm homesick. I need someone to support me, but I haven't got any friends here. What do you think I should do to make new friends? Do you think joining a school club will help? If yes, which club should I join? And how can I get over being homesick? Do you have any ideas on how to fit in with the locals here? I feel like we're from different planets. ☹️

Now I'm living with my aunt in a house near my school. I think I must have brought her lots of trouble as she has to take care of me and prepare dinner after work every day. Can you suggest what I can do to help her?

Sorry for asking so many questions, but I know I can count on you. Thanks and write soon.

With love,
Lucy
