Dear Joyce,

Merry Christmas! (1) How did you celebrate the festival? I had a Christmas party with (2) my big family last night.

The party was held at my uncle's home. (3) His home was nicely decorated with balloons. There was a huge Christmas tree. My uncle decorated (4) it with colourful balls and ribbons.

We first had a buffet prepared by my mum and aunts. (5) They are all good at cooking. We enjoyed the food. Then (6) we played some games.

In one of the games, my sister and I were in a pair. (7) We had to do actions after seeing some words, while I had to guess (8) her based on her actions. It was funny!

After that, we exchanged Christmas presents. My sister got something pretty. (9) It was a knitted hat. She liked it very much. I was happy too because she doesn't need to borrow (10) it anymore! My present was a pair of pink gloves. I am wearing them now. (11) They are so cute!

That's all about my Christmas. What about you?

(12) How was your holiday?  
(13) What did you do and  
(14) Where did you go on Christmas

Eve? Write soon!

Love,  
Doris
