Days in Hong Kong

I had a great trip to Hong Kong in the past three days. Since I don't have enough time to recount what I did (1) day, I'm going to sum up (2) whole trip in just a few paragraphs.

I went on the trip with my family. We went to Tsim Sha Tsui, Mong Kok and Stanley. I wish I had gone to (3) places in Hong Kong but we didn't have enough time. We also went to Hong Kong Disneyland and The Peak. In fact, (4) attraction was boring. However, (5) places were very crowded. It seemed that (6) people from around the world were squeezing into these two places! Luckily, I did not see (7) cut the line. I bought (8) from the gift shop there. It's so lovely and I think I'll keep it for (9), haha! My family and I enjoyed (10) in Hong Kong and had a very nice time. My mum bought (11) a lot of clothes because Hong Kong is a shopping paradise! We used around 2000 USD, including accommodation.

Please feel free to leave your comments below if you have (12) questions to ask about Hong Kong! I'll try my best to reply to you ASAP!
