1. Proposal for a Schoolwide Eco-Tour

2.

I would like to propose a schoolwide eco-tour which students of all levels are welcome to join. For the whole semester, we have buried ourselves in schoolwork, tests and exams. It is high time that we were provided with a well-deserved break with a feast for the eyes, so that we may recharge our batteries for the next semester. An eco-tour would be an ideal option, since it'd allow us not only to relax and do a bit of stretching, but also to learn more about ecology, history and culture outside the classroom. 5

3.

The school's gruelling schedule should be held responsible for a number of recent alarming reports. In class or before exams, some of our fellow students have once reportedly been dizzy, [?], and experienced episodes of anxiety. A day away from school, I believe, will serve well to relieve our stress and refresh our strained minds. 10 15

The school may work together with a travel agency to make the needed arrangements. Experienced tour guides can be recruited to show us around and provide us with relevant scientific or historical information along the way. As for the tour's site, I suggest that we choose among Tai O, Lamma Island and Tai Po Kau, since all of them are full of greenery and historical sites. 20

5.

[?] will be considered carefully and approved. An eco-tour, if well-arranged, would be of tremendous benefit to our physical and mental health. It would also be a great opportunity for us to learn something unlearnable in the classroom. 25
