MODULE 5 Living in Hong Kong

In this module, you will:

WATCH

videos about the lifestyle, culture, and cost of living in Hong Kong.

READ

about cultural preservation, arts development and living issues in Hong Kong.

MASTER

the two targeted reading strategies:
1. Making inferences
2. Predicting the likely development of the text

Pre-reading

- A** Think about the pros and cons of living in Hong Kong.

Complete the table by filling in the letters (A–E) in the correct categories.

- A. high housing prices and other expenses
- B. a creative hub of cultural and commercial arts
- C. one of the most densely populated cities
- D. comprehensive and affordable transport
- E. strong sense of community and social responsibility

Pros	Cons

- B** Think and discuss the questions.

1. How can a city be a good place to live?
2. Is Hong Kong a good place to live?
