

MODULE 2 Individual and Society

In this module, you will:

WATCH

videos about relationship between the individual and society.

READ

about the importance and benefits of giving back to your community.

MASTER

the two targeted reading strategies:

1. Locating general and specific information
2. Interpreting and analysing information

Pre-reading

- A** Look at the pictures on the left. What do you see?
Draw lines to match each activity with its objective.

cultural and language integration	•	to pursue career goals in Mainland China
employment rehabilitation services	•	to adapt to a new environment
Greater Bay Area youth employment scheme	•	to reintegrate into society
community service	•	to serve people needing support

- B** Think and discuss the questions.
1. Can you accept and respect different opinions?
 2. Which type of people needs the most support and why?
