Each year, Bollywood, the Indian movie **industry⁴**, produces 400 more movies than Hollywood.

In 1960, the movie *Psycho* used chocolate **syrup⁵** to show blood in a scene, because the colour of the syrup looked the same as blood in a black-and-white shot.

The **roaring⁶** sound of the T-Rex in the Jurassic Park **series⁸** is made by **mixing⁹** the sounds of a tiger, an **alligator¹⁰** and a baby elephant.

The Avengers Series is based on the Marvel comic *Avengers* which was first **published¹¹** in 1963! It's **probably¹²** older than your teacher!

In the **original¹³** script of *Toy Story* (1995), Woody was a wooden dummy and a **villain¹⁴** who **abused¹⁵** the other toys. Later, he was turned into a good cowboy but the writers kept his name.
