

Complete the exercise below with the words from the word box.

flattered	adept	fiery
baffled	mightiest	à la mode

1. Most figure skaters spend years developing a good sense of balance before they become _____ at performing dances that involve exceedingly difficult spins and jumps, such as the butterfly jump and the Charlotte spiral.
2. 'If you don't possess an instinct for fashion _____, this job may not be suitable for you,' said the manager to the interviewee, an aspiring fashion designer.
3. The homeless man was _____ but surprised by the unexpected kindness of a stranger, who slipped some cash into his pocket and handed him two slices of freshly baked pepperoni pizza.
4. The silver-armoured knight, with a _____ sword in hand, swiftly blocked the demon's attack with his shield, and, in a split second, threw his sword at it with such force that it pierced through the demon's heart like a flame arrow.
5. 'Terry, haven't you really considered publishing a collection of your poems? If you haven't, you should give it some thought. I mean it!' said Miss Claire. Terry, clearly _____, said 'Oh thanks! This is the best compliment I've ever received. I wonder if my works would be too mediocre.'
6. In the Harry Potter series, Albus Dumbledore is the _____ wizard in the wizarding world, one that no one can rival as far as mastery of magic is concerned.
