Class No.

You and two other classmates are doing a project on pop stars. You meet to discuss the points for the project.

In your discussion, you may include:

- different kinds of pop stars
- some pop stars and their achievements
- why teenagers like pop stars
- what influence pop stars may bring to teenagers
- what teenagers can learn from pop stars
- any other important details

You may begin by saying:

We are going to do a project on pop stars. We can first talk about different kinds of pop stars...
