Vacation Time

Students are always looking forward to holidays. During vacation time, they can take a break from their busy schoolwork and do the things that they enjoy. For example, they can go travelling, play computer games or take up a new hobby.

Some students take this opportunity to join winter or summer camps to make new friends and learn new things. There are many English camps or sports camps that you can join. Joining camps in vacations is good to learn new skills that you may find very useful in the future. So, what about joining a camp on your next vacation?
