#### My ideal 18<sup>th</sup> birthday celebration

Write a presentation on how you would like to celebrate your 18<sup>th</sup> birthday in about 150 words.

Good morning, everyone!

Today, I'm really excited to share with you my plans for my 18<sup>th</sup> birthday celebration. I've been thinking a lot about how to make this special occasion memorable.

**Firstly**, I plan to have a small gathering at home with my closest friends and family. I want to keep it simple, with just a few decorations and delicious food. I'll also set up a photo booth to capture all the fun moments and have lasting memories of the day. **Secondly**, I'd like to go out for dinner with my family at my favourite restaurant, trying something new and enjoying quality time with them.

**After dinner**, I want to go for a walk with my friends. We'll listen to some music and enjoy the beauty of the night. **Finally**, I'd love to receive some meaningful gifts from my family and friends, something that I can treasure for years to come, reminding me of this milestone in my life.

**In conclusion**, I'm really excited about the celebration. And **I'm looking forward to** spending it with my loved ones in a way that's meaningful and memorable. Thanks for listening!
