

### Module C Unit 5

#### Training 1.1 (p.37)

- Announcer : You are Marco. Your teacher has asked you and Tammy to help her keep track of your classmates at Ocean Park. Listen and label the picture below using the names in the box.
- Tammy : OK, Marco. Miss Lee has asked us to help her keep track of everyone.
- Marco : Let's find Miss Lee first. Some students are probably with her.
- Tammy : I see her. She's over there, next to the vendor selling sunglasses and hats.
- Marco : Oh, yes, there she is. And there's a group of students standing near her.
- Tammy : Is that Jane standing right in front of her?
- Marco : <sup>④</sup> Yes, that's Jane right in front of Miss Lee. Jane's never too far away from her favourite teacher.
- Tammy : No, she isn't. <sup>⑤</sup> And that's Martin next to Miss Lee. He's yawning.
- Marco : Yes, Martin's always sleepy. <sup>⑥</sup> Now, to the right, next to the flower pot is Paula.
- Tammy : OK, so there's Paula, looking at the flowers, and who's that between Martin and Paula? Is that Jason?
- Marco : <sup>⑦</sup> Yes, that's Jason beside Paula. Now who is standing behind them?
- Tammy : <sup>①</sup> Well, right behind Martin is Lucy and <sup>③</sup> behind Paula is Freddy. But who's between Lucy and Freddy?
- Marco : <sup>②</sup> That's Emily.
- Tammy : Oh, I didn't recognise her with the hat and sunglasses on.
- Marco : OK, we've got a few more people to find. Over there is... \*

#### Training 2.1 (p.38)

- Announcer : You and your classmates are ready to visit the Waterfront of Ocean Park in the morning. Listen to the conversation and number the attractions the students will visit in the correct order.
- Tammy : Great! We're through the main gate and we're ready to explore the Waterfront.
- Freddy : I can see the Grand Aquarium. Why don't we start there?
- Marco : Just a minute, Freddy. <sup>①</sup> We'll get to the Grand Aquarium later, but first we're going to the Amazing Bird Theatre. It's fun, educational and the birds are really cool.
- Freddy : Will we stop anywhere on the way?
- Marco : No, we'll go directly to the Amazing Bird Theatre.
- Tammy : <sup>②</sup> Then our 2<sup>nd</sup> stop is at the Giant Panda Habitat to look at the pandas. They are very cute.
- Freddy : So from the bird theatre to the Giant Panda Habitat. Will we go to the Grand Aquarium after that?
- Marco : Yes. <sup>③</sup> The Grand Aquarium is our 3<sup>rd</sup> stop. We will watch the sea animals there. <sup>④</sup> Then after that, we'll take the cable car to go up to the Summit. \*

#### Training 2.2 (p.39)

- Announcer : In the afternoon, you and your classmates continue to visit the Summit of Ocean Park. Listen to the conversation and number the attractions the students will visit in the correct order. Also, mark the appropriate symbol on the map as you listen.

Freddy : What are we going to do here at the Summit?

Tammy : Lots of things. <sup>①</sup> But let's have lunch at The Bayview Restaurant first, <sup>②</sup> and after lunch we'll go to the Ocean Theatre for the show.

Marco <sup>①⑧</sup> : Freddy, since you are holding the map, can you put a big circle around The Bayview Restaurant? We are not going to the Middle Kingdom Restaurant. It is too far away from the Cable Car Station.

Freddy : OK, a big circle around the restaurant near the Cable Car Station. After the show, are we going to ride the Eagle or The Abyss?

Marco <sup>③</sup> : I think we'll ride on the Eagle instead of The Abyss. I've heard that The Abyss is too scary. It's like jumping off a building.

Tammy : So The Bayview Restaurant, then Ocean Theatre, and then a ride on the Eagle.

Marco <sup>④</sup> : Yes, and after riding on the Eagle, we'll go to Ocean Park Tower.

Tammy : After Ocean Park Tower, can we ride on the Raging River and the Ferris Wheel?

Marco <sup>⑤</sup> : Sure. We will ride on the Raging River and then the Ferris Wheel. <sup>⑥⑦</sup> Lastly, we'll end the day with an exciting ride on the Mine Train. What do you think, Freddy?

Freddy : Very exciting! Before we leave, will there be time to buy some souvenirs?

Marco : There should be time for that. \*

### Training 3.1 (p.40)

Announcer : You are going to buy a souvenir for your mother at Ocean Park. A salesperson is showing some handbags to you. Listen to what the salesperson says and complete the table below.

Salesperson : We have many new handbags for you to choose from. The 1<sup>st</sup> one is this triangular and striped one here. <sup>①</sup> It's made of plastic and this pure white <sup>②</sup> colour easily matches with other colours.

<sup>③④</sup> The 2<sup>nd</sup> one is the checked, red and grey bag. It's made of cotton so it's very soft.

The 3<sup>rd</sup> one over here is the heart-shaped bag. <sup>⑤</sup> It's very popular among women who like black <sup>⑥</sup> leather bags.

The last one here is the rectangular, spotted bag. <sup>⑦⑧</sup> It's made of plastic and the purple colour is very fashionable now. \*

### Training 3.2 (p.41)

Announcer : You and your classmates are buying souvenirs at Ocean Park. Listen to the conversations. Fill in the prices and quantities for the items you want to buy.

Marco : So we had a great day. Let's check out the souvenir shop before going home. And here we are at the souvenir shop. Are you going to buy anything, Tammy?

Tammy : Yes. I'm going to get a panda.

Marco : How about that one over there? The skinny one with long arms and long legs? It looks quite cute.

Tammy <sup>③④</sup> : It's cute, but I'm going to get the one that's very round and fat, and has short arms and legs. How much is it?

Marco : It's \$98.

Tammy <sup>③</sup> : I'm going to get one. How about you, Marco? What are you going to buy?

Marco : I'm going to buy a stuffed fish for my little sister. <sup>⑩⑪</sup> I'm going to buy that one, the oval one with 4 stripes.

Tammy : You don't like that one with 2 stripes?

Marco : You mean the rectangular one? No, I think she'll like the oval one with more stripes.

Tammy <sup>14</sup> : The stuffed fish costs \$54.

Marco : I'm going to buy it.

Tammy : I'm sure your sister will like it.

Marco : Freddy, what are you going to buy?

Freddy : I'm going to buy some key rings for my friends.

Marco : Which one? There are 2 kinds, one is made of metal and the other is made of plastic.

Freddy : The heart-shaped metal key ring is too expensive. It's \$48.

Marco : And the star-shaped plastic one is only \$25.

Freddy <sup>1</sup> : Hmm, I think I'll get 3 star-shaped ones,  
<sup>2</sup> so the total is \$75. How about you, Marco?

Marco : I want to get a cap.

Freddy : Which cap do you like? The checked one or the dotted one?

Marco : The dotted one is more suitable for girls. <sup>5</sup> <sup>6</sup> I prefer the checked one. How much is it?

Freddy <sup>6</sup> : The checked one is \$62.

Marco : OK, I'll buy it. What else do you want to buy?

Freddy : I want to buy a T-shirt as well.

Marco : There is the black one with the jellyfish and the white one with the penguin.  
<sup>8</sup> <sup>10</sup> They are \$70 each. Which one do you like?

Freddy : I like both. <sup>7</sup> <sup>9</sup> I'll buy one of each. Hey Tammy, what are you looking at?

Tammy : I am looking at these lovely photo frames. <sup>11</sup> I am going to get the rectangular one with the flower pattern.

Marco : Let me see, I think the triangular one is special. It is \$27. I'll buy that one.

Tammy : How much is the rectangular one?

Marco <sup>12</sup> : It's \$32.

Tammy : OK, I'll get the rectangular one. \*
