

## Unit 1 Practice

### Task 1 (p.2)

Announcer : Situation.

You are Nicole Tse, a Secondary 2 student. You and your family are on holiday.

You will have two tasks to do. Follow the instructions in the Question-Answer Book and on the recording to complete the tasks. You have two minutes to familiarise yourself with Tasks 1 and 2 before the recording begins.

Task 1.

You and your mother want to buy some souvenirs for your relatives and friends. Listen to the conversation and complete the souvenir list.

You now have 30 seconds to study the task. At the end of the task, you will have 30 seconds to tidy up your answers.

Nicole : Mum, what should we get for the family and our friends?

Mrs Tse : <sup>①②</sup> Emily will love this 250 g packet of sweets. She loves sweets.

Nicole : So does Grandpa. Shall we get him some too? <sup>③</sup> It's only \$39.

Mrs Tse : I think Grandpa would prefer chocolates. <sup>④⑤</sup> There's a 200 g box and a 400 g box of chocolates. Excuse me, how much is the 400 g box?

Assistant : <sup>⑥</sup> It's \$72, and the smaller box is \$52.

Mrs Tse : <sup>⑤</sup> Then I think we will have the large box since it is better value.

Assistant : Certainly. Anything else?

Mrs Tse : I need something for my sister. She doesn't like chocolates so I need something else.

Nicole : What about perfume? Auntie Joy always smells nice.

Mrs Tse : Good idea, Nicole. <sup>⑦</sup> There's a bottle of rose perfume. Excuse me, how much is this?

Assistant : It's \$139 for 250 ml.

Nicole : Let's get a bottle of that one then. Why don't we get one for our neighbour, Mrs Lau, too?

Mrs Tse : I don't think she wears perfume. What else can we get her?

Assistant : May I suggest a scarf? We have a large variety of colours to choose from.

Nicole : Yes, a scarf! There's a nice brown one here. Or a blue one.

Mrs Tse : <sup>⑧</sup> I think Mrs Lau likes to wear green.

Assistant : <sup>⑨</sup> The green scarf is a good choice. It's only \$60.

Nicole : I need to get my best friend Simon a gift. The key rings are only \$20.

Mrs Tse : <sup>⑩</sup> I think a T-shirt would be nicer. There is a colourful medium-sized one here for \$49. I think he will like this checked T-shirt.

Assistant : These checked T-shirts are very popular and only cost \$49.

Nicole : <sup>⑩</sup> OK, we'll have that one. Mum, can I also get my English teacher, Miss Smith, a gift? Maybe a necklace or a bracelet. Oh wait, I don't know if she likes jewellery. Why don't we get her a leather belt or a leather card holder?

Mrs Tse : No, she may not need them. What about a purse instead? I remember she likes the colour pink.

Nicole <sup>11 12</sup> : Yes, this pink dotted purse is nice. Let's get it. It's \$65. We could get a wallet or a belt for Uncle Roger.

Mrs Tse <sup>13</sup> : Uncle Roger has a new wallet already. I think a leather belt is better. They are also at a good price, \$80. That's a bargain.

Assistant : The belts are very popular. You won't find one for \$80 anywhere else.

Nicole : OK, let's get it. I think we've got everyone a gift now.

Announcer : This is the end of Task 1. You now have 30 seconds to tidy up your answers.

### Task 2 (p.3)

Announcer : Task 2.

You and your mum are ordering a meal from the hotel's room service. Listen to the conversation and complete the room service order form.

You now have 30 seconds to study the task. At the end of the task, you will have 30 seconds to tidy up your answers.

Nicole : Mum, shall we order some food to eat?

Mrs Tse : OK, let's fill in this room service order form.

Nicole <sup>1</sup> : Let's see...what's our room number?

Mrs Tse : It's 602.

Nicole : What would you like for an appetiser? They have soup and salad.

Mrs Tse : I'd like to have soup. What kind of soup do they have?

Nicole : They have 3 soup options: vegetable, chicken and seafood.

Mrs Tse <sup>2</sup> : Um, I'll have the chicken soup, please.

Nicole : OK. 1 chicken soup. Now what about the main course?

Mrs Tse : Do you want to have pizza? Let's order pizza.

Nicole : What kind of pizza would you like?

Mrs Tse <sup>4 5</sup> : I want a cheese pizza. I think a small one is enough.

Nicole : Do you want any other toppings? They have ham, pineapple, tuna, beef and sausage.

Mrs Tse <sup>5</sup> : No, just a cheese pizza.

Nicole : OK, I'll put down 1 small cheese pizza. <sup>3</sup> I'd like to have fried noodles as well. Let me put down 1 fried noodles. Do you want any dessert?

Mrs Tse : What desserts do they have?

Nicole : They have marble cake, cheesecake and apple pie.

Mrs Tse <sup>6</sup> : Um, I want cheesecake.

Nicole : Me too. Let's put down 2 servings of cheesecake. Do you want anything to drink?

Mrs Tse <sup>8</sup> : A can of coffee for me, please.

Nicole <sup>7</sup> : I'd like a can of Coke. A can of Coke and a can of coffee. OK. Is that all?

Mrs Tse <sup>9 10</sup> : Yes, that's it. Ask for it to be delivered at 3:30 pm.

Nicole : OK. 3:30 pm. Let me give this to the hotel staff.

Announcer : This is the end of Task 2. You now have 30 seconds to tidy up your answers.
