

Module B Unit 4

Training 1.1 (p.29)

Announcer : You are Diana. You are listening to a speech by the chairperson of an animal protection group. Listen to the speech and take notes on the note sheet. Then complete the leaflet below.

Speaker : Some of you may want to know what our animal protection group does.

^{T①} Firstly, we are responsible for the collection and rescue of abandoned,

^{T③} sick and injured animals. This kind of collection and rescue work is important because we can save the animals before it is too late. Many of the animals we find are sick or injured. ^{T⑤} Secondly, we

^{T④} carry out investigations into complaints of cruelty. There have been many cases of animal abuse and cruelty. Once we are informed of suspected cases of cruelty to animals, we will investigate.

^{T⑥} Thirdly, we are also responsible for

^{T⑦} public education on responsible pet ownership and animal welfare issues. We hope to educate the public on how to be responsible pet owners. *
